Juniors Fun Afternoon

As you know, the weather did severely disrupt the afternoon with anticipated numbers of 33 being reduced down to 14 on the day and it was unfortunate and disappointing that the snow came down when it did and in such quantity. However, we did still get the fun afternoon on and everyone there had a fantastic time with the 14 young people being able to try out 6 very different and very enjoyable games. This was followed by an hour in the swimming pool where the fun continued. It was great to see the young people from different companies mixing together and making new friends in such a fun and friendly environment.

I have to give a huge thank you to all the Leaders who came along and brought the games and without that support the afternoon could not have been a success, but also the Leaders that came along to just help make sure that the young people were ok and got them safely from one area to another. I am hugely grateful to everyone for supporting the afternoon and helping to make it work so well once more.
